**AFAQ AL MALAZ**  
TRADING CO. LTD.

**AFAQ AL MALAZ TRADING CO. LTD.** established in the year 2014 with the vision of providing all the HVAC, refrigeration and mechanical items under one roof. The core vision of the company is to provide quality with efficient service to the customers across Saudi Arabia. We have storage of quality products like **WEICCO** pipe supports, vibration Isolators, flexible connectors, piping and ducting accessories, **DELMON / STAR** duct sealant, adhesives and coating, **ATCO** flexible air ducts, **ANGEL'S Aluminum Corporation/ROLLING ALUMINUM INDUSTRY** aluminum jacketing, **KIMMCO/SIMMCO** fiberglass & Rockwool insulation, **ARIFLEX/ K-FLEX** rubber insulation, **BRANNAN** pressure gauges and thermometers, **BELVEN** Valves & Strainers, **NEFIT** fittings & flanges, **GARG** Threaded rods and accessories, **FLEXITUB** flexible hoses, **MUHEET AL ARAB** identification labels, tags & detectable warning tape, **DUCAST & SAUDI CAST** manhole covers & channel grating **T- MECH** PPR, Pex Pipe & Fittings **AMT** duct accessories and a variety of other quality products.

We are a team of well experienced and technically capable force to provide our customers with the required guidance on both commercial and technical aspects without any compromise in quality and safety.

Our Showrooms & Offices are in Riyadh, Khobar, Jeddah, Sharjah & Manama

Product Compliance : US standards MSS-SP58 & MSS-SP69.

Finish : Electrogalvanised post manufacture, as per ASTM B633 SC3 and BS 1706 FE/ZN12.

Optionally, most hanger / support types are also available with Hot dipped Galvanised or Epoxy Powder Coated finish.

Material : Low carbon steel. Optionally most types are also available in SS304 / SS316 construction.

EPDM Lining : The lining fitted on WEICCO hangers and supports is made exclusively from high grade EPDM. Temperature tolerance from -20C to 110C.

Special Intermediate Size : In order to provide a close fit over any insulated pipe OD, we provide all supports in standard as well as intermediate sizes.

Customization : For non-standard applications, we regularly design and supply customized products.

**Compliance :** Springs are designed according to BS 1726 (Part 1) and recommendation of SAE (US) and ASHRAE.

**Spring Design Features :** Springs are laterally stable, with a horizontal stiffness of min. 100% of vertical stiffness. Spring diameter to operating height ratios range from 0.85 to 1.0. Springs have overload capacity of 50% beyond their rated loads.

**Standard Deflection :** Isolators are available with spring deflections of 25mm and 50mm at rated load as standard. Higher deflections available on application.

Founded in the year 1974 as Belgium Ventiel, the company specialized in the storage of Valves. With flourishing trade, and promise, Belgium Ventiel saw the ingenuity in diversifying, and by the year 1981 had become a Valve manufacturer. In 2007 after receiving several accolades and qualifying with the strictest European and American Norms, Belgium Ventiel went on to become Belven (ISO 9000).

Belven – a brand since its inception in 1974 has constantly evolved to adapt and be the change – the ever-dynamic industry has stringently demanded. Today with over four decades of perspicacity and experience, Belven is proud of their contribution, Valves.

PPR PEX & Fittings

## T-Mech Thomsun UAE PPR PIPE & FITTINGS PEX PIPE & FITTINGS

As one of the subsidiaries of Thomsun Group, the Thomsun Metal & Pipes Manufacturing with the brand T-Mech excels as the largest manufacturers of PPR, PEX & pipe support system. We bring out the best metal and piping products to satisfy both the residential and commercial requirements of our customers.

Our PPR pipes and fittings are ideal for the installation of the hot and cold water supply system for any residential and commercial purposes. T-MECH PPR pipes and fittings have been used for many years in areas of application where the pipe system has to meet high standards of durability and reliability. They possess the capacity to perform over a wide range of temperatures.

PEX pipes and fitting of T-MECH are technically suitable for water delivery systems. The pipes are approved for potable hot and cold water supply systems. They are specially designed for piping water of temperatures up to 95°C and are preferred for heating systems in all plumbing sectors. T-MECH's high-quality PEX systems possess service life of over 50 years.

## Registration Approval Letter

December 23, 2022

Attention : AFAQ AL MALAZ TRADING CO LTD

CR Number : 1010507619  
Supplier Type: Materials Vendor Only  
Country : Saudi Arabia

We are pleased to inform you that AFAQ AL MALAZ TRADING CO LTD is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10109493, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to [portal-registration@aramco.com](mailto:portal-registration@aramco.com). The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to [SupplierHelpDesk@aramco.com](mailto:SupplierHelpDesk@aramco.com) or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Mosmar Khazal Al Usaimi, Supervisor  
Supplier Registration Unit  
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at [supplierhelpdesk@aramco.com](mailto:supplierhelpdesk@aramco.com)
