

Kingflex Attends the 35nd CR EXPO 2024 in Beijing

Kingflex Attended the 35nd CR EXPO 2024 in Beijing last week. From April 8 to 10, 2024, the 35th CR EXPO 2024 was successfully held at the China International Exhibition Center (Shunyi Hall). Returning to Beijing after a lapse of 6 years, the current China Refrigeration Exhibition has received extensive attention from the global industry. More than 1,000 domestic and foreign brands displayed the latest refrigeration and air conditioning, smart buildings, heat pumps, energy storage, air treatment, compressors, automatic control systems, climate change and other product technologies, and some breakthrough innovative technologies to achieve ground-breaking transformation. The exhibition attracted nearly 80,000 professional visitors and buyers from all over the world for three days, and reached a purchase intention with many exhibitors, and overseas visitors accounted for nearly 15%. The net area of the exhibition and the number of visitors both hit a new high for the China Refrigeration Exhibition held in Beijing.

Kingflex Insulation Co., Ltd ., a insulation company that specializes in the research, development, produce and sale of rubber foam insulation, was invited to attend the CR EXPO 2024 in Beijing, China. Kingflex is a group company and has more than 40 years history of development Since 1979. Our factory product including:

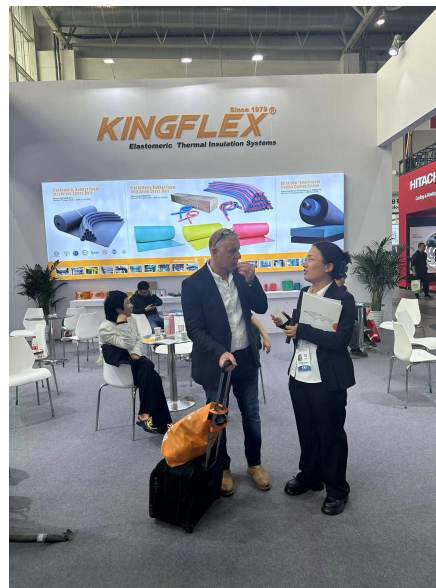

Black/colorful rubber foam insulation sheet roll/tube

Elastomeric ultra-low temperature cold insulation systems

Fiberglass wool insulation blanket/board

Rock wool insulation blanket/board

Insulation accessories.

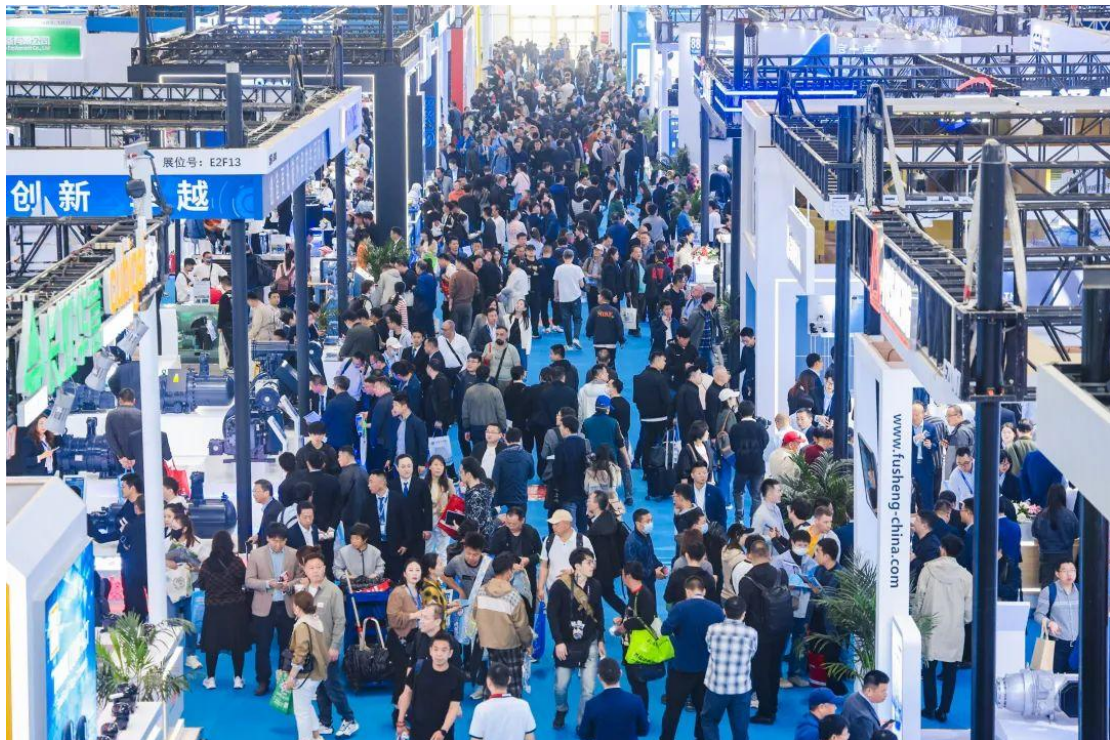

During the exhibition, we met many of our clients from different countries. This exhibition gave us a chance to meet with each other.

Besides, Our Kingflex booth also received many professional and interested potential customers. We warmly made the reception to them at the booth. The customers were also very friendly and showed great interest in our products.

In addition, during this exhibition, we Kingflex talked with some professional person in the air conditioning, Refrigeration and HVAC&R industry and we also learned more about the latest technologies and products in related industries.

By participating in this exhibition, Kingflex brand was known and recognized by more and more customers. It plays a very important role in expanding our brand influence.
